Geographic Information Systems (GIS) Department

GIS Data or Map Request

Per Idaho Code 31-875, Bannock County may collect fees for GIS Data Requests, as approved by the Board of County Commissioners on May 1, 2018 per County Resolution 2018-51.

Bannock County's Geographic Information Systems (GIS) data was developed for internal use to support County functions. As such, these digital products are released subject to the following considerations and limitations:

- These products are for informational purposes only, and may not have been prepared, or be suitable for, legal, engineering, or survey purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information.
 - The County cannot accept any responsibility for errors, omissions, or positional accuracy in the digital data. There are no warranties expressed or implied for this product.
-

To request GIS data:

Fill out page 2

- **Name, Email, and Signature are required.**
- Select the dataset(s) from the provided list.
 - For "Other" datasets, provide a detailed description of what kind of data you are looking for.
- Select which format you would like the data delivered in.
- Submit the completed form to gis@bannockcounty.gov – we will reach out to arrange payments and delivery.

To request a custom map or to have a map printed:

Fill out page 3

- **Name, Email, and Signature are required.**
- Select the product from the provided list.
 - For custom maps, provide a detailed description of what you would like the map to contain.
- Submit the completed form to gis@bannockcounty.gov – we will reach out to arrange payments and delivery (please note, we cannot mail prints, they must be picked up at our office at 5500 S 5th Ave, Pocatello Idaho).
