## Meeting Notes

- 4:09 PM Moser called the meeting to order. Among those present were D'Lyn Evans, Cody Miller, Zachary Dame, Tejay Barnes, Piney Morrison, and Amber Benson. Tejay Barnes was appointed as a Fair Board member and administered an oath of office. Moser explained the allocations for the fairgrounds from ARPA funds. Two buildings on the property have been deemed unsafe and during planning for demolition of the buildings, it was discovered there are city rights-of-way throughout the property and ownership of the buildings was questioned. Moser disclosed that he plans to propose to the other Commissioners to dedicate another \$1 million of ARPA funds that was recently freed up for an exhibition facility with offices for the fairgrounds. Discussions ensued on some history of the land and buildings, year-round options, and security cameras.  
4:25 PM A tour of the facility began. Discussions were had on pole barn installation, barn options and quotes, building collapse, insurance funds from collapse utilized to replace condemned bleachers, possible building site, and planning. 5:02 PM The tour was completed and the meeting was adjourned.
