Meeting Notes

- 10:00 AM Moser called the meeting to order. Klauser discussed the changes made to the budget. The Landfill and Road & Bridge budgets still need a decision from the Board regarding the equipment operator grade adjustments that will affect property taxes as an additional tax ask of \$66,170 for one grade and \$145,639 for two grades. The net would be an increase of \$4.89 or \$5.80 per taxable \$100,000. Discussion ensued regarding increasing property taxes, and concerns about compression issues. Klauser will move forward with one grade adjustment and absorb the Landfill portion with fees. Hough requested to add \$5,000 to travel for the Bannock County Events fund and increase the revenue \$5,000 to cover it. Klauser explained the verbiage change to the Office of Emergency Management (OEM). The Board agreed with the budget changes and will not meet again before it publishes.
